Mira Costa Cross Country
Booster Club Donation
Fall 2021

Cross Country is one of the largest programs at Mira Costa allowing boys and girls in every grade to compete. Supported by engaging coaches and hard-working parent and veteran volunteers, our running program exists because of donations from our families and the generosity of our community.

We hope we can count on you to donate and volunteer so we can continue to support this winning program and the efforts of our hard-working boys and girls.

This year, in order to meet our costs of invitational fees, transportation, equipment, out of season coaching stipends and other incidentals, we are suggesting a donation of $225 per athlete.

For two athletes the Ask is $350 total. We are hoping for 100% parent participation this year at this level or at whatever level you can give. Participation in our fundraisers boost the camaraderie of our team and helps keep our booster donation amount low.

We appreciate your donation!
