# Pursuing Victory With Honor$^{sm}$

The CIF was formed during the 1914-15 school year with 65,000 high school students in California and less than 8,000 students participating on their high school teams. Today, there are over 1.8 million high school students with more than 830,000 participating for their school teams including an all-time high of 354,265 girls. Education-based athletics will continue to thrive because of the life lessons it imparts on our young people.

Several years ago, the National Federation of State High School Associations (NFHS) launched the #MyReasonWhy campaign. The intent behind it was to demonstrate why we (student-athletes, coaches, administrators, parents and fans) are all involved in high school sports. Recently, the CIF resurrected this campaign to once again demonstrate the real reasons why education-based athletics is so impactful on our lives. Our 10 Section Offices communicated with our member schools asking them to have their student-athletes, coaches and administrators post on various social media platforms #MyReasonWhy. We encourage you to watch/read some of these and to post your own. Whether you are a student-athlete, or coach, parent or administrator, official or fan, we all have our reason why.

It is no secret that our student-athletes are inherently drawn to sport because it is fun and because of the connection it develops between them and their peers, coaches and school community. It is human nature to want to feel part of something bigger than yourself and to find a place where you belong. Do our young people also want to compete and win? Absolutely and that will always be a part of sport. However, the adults have to start asking the question, how far do we go to win a game? Do we sacrifice

life lessons such as accountability, respect, fairness and loyalty? In looking at the current landscape of high school sports, some would say that we have already gone down this path. I disagree and the examples of the #MyReasonWhy responses that we have seen to this point and hopefully continue to see certainly demonstrate that the majority of those in our 1,606 school communities are involved for the right reasons. We need to put these examples forward of what it means to be part of the high school sports community in California.

Indeed, we occasionally see acts of poor sportsmanship and behavior by a player or a coach, but the overwhelming majority of school contests reflect the positive elements of Pursuing Victory with Honorsm. True, the goal is always to win the contest, but education-based athletics, when done correctly, places the value of life lessons, character and sportsmanship ahead of winning. It is this ability of education-based sports leaders to keep athletics in its proper perspective that helps separate us from the rest.

It is vital that as parents, fans and education-based sports leaders that we remember that less than 2% of our participating students will go on and compete in college athletics. Students participate in sports because it's fun. The athletic fields, gymnasiums and classrooms our schools provide allows adults the opportunity to teach valuable lessons that might not be learned in any other environment. Creating life-long skills and helping create better citizens through participation in education-based athletics is the greatest gift we can give to the future.

Ten years from now, many of our student-athletes will return to their high school campuses for their class reunions. The majority of them will not talk about the championships that they won or their individual accolades but the journey they went on with their teammates, coaches and school communities. They will share stories and memories of their high school experiences. – the bus rides and comradery. We, as the adults, have the power to influence these future stories. We can transform the lives of young people so that one day they show up to their reunion to relive these stories with teammates and coaches. They return as the adults ready to show the next generation the true meaning of high school sports – the lifelong friends and the connections created with an entire community of support.

## Young and Clearly Dominant

***Nico Young and powerhouse Great Oak,Newbury Park programs showcased at CIF-State Championships***

*By Rich Gonzalez*
*PrepCalTrack.com Editor (@PrepCalTrack)*

Oh, to be young and to be fast.

Oh, to be Nico Young and perhaps the fastest ever?

That's the biggest question among the many surrounding the 33rd edition of the CIF-State Cross Country Championships set for this holiday weekend in Fresno.

The Newbury Park/ss senior aims to finally throttle a Woodward Park course record that hadn't even been remotely threatened since it was broken a dozen years ago, and that after seeing the prior record go untouched stretching back an additional 21 years!

Based on Young's multiple historic displays already this season, the buzz enveloping the paved 5,000-meter course during today's 9:30 a.m. challenge will surely be unmatched!

Also on display this weekend are the two best boys teams in the America fervently chasing after team-title sweeps in both genders although competing in separate divisions, another program seeking its 12th and 13th state titles in meet history, a girls' program seeking its unprecedented 7th crown among Division III schools, and five defending state team champions arriving here as favorites to successfully repeat their coronations of a year ago.

Individually, six of last year's 10 divisional state champions will be in search of the gold medal position yet again, although a pair of those are returning this fall as slight pre-race underdogs.

Yes, leading runners and teams from across the 10 CIF Sections have converged in Fresno for a Thanksgiving weekend tradition replete with all the trimmings.

While this projects to be among the coldest editions in the history of the meet (forecast temperature ranges during the 10-race docket are from the lower 40s to the uppers 40s), look for performances by harriers from the nation's deepest talent pool to surely heat up the trails throughout the day!

Here's our quick breakdown of each of the meet's 10 divisional championship races:

**DIVISION II GIRLS, 8:30 A.M. (Awards at 10:00 a.m.)** – After seeing their boys group emerge as the fastest-rising program in the United States over the last 15 months, this weekend could when be Newbury Park's girls team takes a big step onto the national stage. We tabbed the Panthers as the top team in the state at this division a week ago and they quickly went out and demonstrated why, steamrolling to a 50-points-plus victory margin over five other state-ranked teams in the strongest girls' state qualifier race in the nation! Sophomore Sam McDonnell, seniors Hailey Golmon, Archana Mohandas and Gretchen Slattum, and junior Fiona Hawkins comprised a lethal 36-second scoring spread that shut the door on the competition in winning its first section crown to arrive here as the heavily challenged favorite. Not bad for a crew that didn't even make the state meet a year ago!

St. Francis/sj withstood a clear challenge to claim top honors at its sectional after rolling through its seasonal challenges, with the stellar trio of sophomore Cate Joaquin and seniors Isabella "Izzy" Fauria and Haley Silva powering "Troubie" Nation in search of podium hardware this weekend. St. Francis/cc motored to 5 of the first 7 spots at its sectional championship, with section runner-up Isabella Cairns keying their bid this weekend. Three-time defending state champion Claremont/ss successfully reloaded after graduating three scorers and 4 of its varsity 7 from a year ago, with hotshot sophomore Maddie Coles and upperclassmen Azalea Mora-Segura and Angie Gushue forming the nexus for another title chase! El Toro/ss needed a scant 14 seconds to see its entire scoring cast parade through the chute at its state qualifier, with seniors Alexis Neuville and Grace Griffin seeking to propel the Chargers to the title. Granada of Livermore, led by North Coast Section individual champion Shae Hill, Serrano/ss, Canyon of Anaheim/ss and Simi Valley/ss are all teams within reach of the podium in a divisional overflowing with talent! At the forefront, look for national find Alexandra Klos of Vista Del Lago – arriving on the trails by way of the soccer pitch – to factor prominently for individual honors. In only her second cross country race ever, she purred to a 16:57 performance at Woodward Park, the sixth-fastest performer in course history! J.W. North's MacKenzie Browne, who broke the freshmen course record at the Southern Section Finals, Ventura/ss mega-talent Madeleine Locher and seasoned veteran Amber Rios/ss of Colony stake this race with great up-front performers.

**DIVISION III GIRLS, 9:00 A.M. (awards at 10:40 a.m.)** – Three teams have clearly distinguished themselves as main combatants for the title, with a dangerous fourth entry aiming to pull an upset on the biggest stage. Palos Verdes/ss, seeking its record seventh crown at this level, arrives as a roll after downing mid-season co#1 Brea-Olinda/ss by 14 points in their section duel. The Sea Kings come to the table with two aces in hand in seniors Savannah Scriven and Samantha

# State Championship Preview

Steman but will need to shore up their scoring compression to keep rivals at bay. Campolindo/nc is the hottest team at the moment, with the Cougars storming the finish with 4 of the top 6 at its state qualifier as section winner Paloma Hancock and frosh phenom Ellie Buckley led the showing! Brea-Olinda has ridden the sturdy coattails of seniors Mia Douge and Whitney Valenti to repeated triumphs down south. Cathedral Catholic, seeking its third Top 5 team finish in four years and its first on the podium since 2012, had frontrunner Trang Woolridge pace five scorers among the first 11 finishers in a commanding effort at the San Diego Section qualifier. Riley Chamberlain, who stormed to a lopsided title win a year ago, returns to battle the Palos Verdes duo of Scriven and Steman for top honors after posting a big blowout win in her qualifier two weeks ago.

**DIVISION II BOYS, 9:30 A.M. (Awards at 10:20 a.m.)** – While there are a number of exceptional teams and quality individual talents featured throughout the day, the clear competition highlight occurs here as perhaps the nation's top runner and conceivably the top overall squad in America are featured, topping a sensational list that ranks as the deepest state-qualifying boys race in the United States this fall!

All the excitement and hoopla for this one gets started with defending Division 2 state champion Newbury Park as the clear headlining entry. The Panthers have enjoyed a meteoric rise in just over a year, with the popular program absolutely dominating its divisional rivals throughout, while also splitting a pair of high-profile outcomes to Division 1 superpower Great Oak this season. Included on its sparkling résumé is a commanding victory over an all-star collection at the early-season Woodbridge Classic, the nation's largest invitational. All-American super talent Nico Young is unbeaten in 2019 and leads a Newbury Park attack that also features another of the naton's premier senior-class talents (Jace Aschbrenner) as well as a loaded cast of quick-improving stars on its stable that includes both the top sophomore (Colin Sahlman) and top freshman (Lex Young) performers in the state! Young is primed to take down the all-time course record should favorable conditions (both in weather and in footing) play out, with our projections having him capable of the 14:19-14:21 range, slightly better than the 14:24 jaw-dropper curse record by Riverbank's German Fernandez under warm conditions at the 2007 state meet. Also in the crosshairs this weekend is breaking the team-time course record (76:10 a 15:14 scoring average), which this year's Panthers (at the Clovis Invitational seven weeks ago) share with the 2015 Great Oak state championship team that went on to win nationals one week later.

But wait, there's more! Plenty more! After making the state meet podium in Division 1 each of the last six years, Dana Hills/ss moves into this division and looms as the leading challenger if the crew can click on all cylinders. Sophomore Jai Dawson and senior Carrick Denker are high-performance bookends for the proud program, which is a nationally formidable lineup across its lead quartet and aims to experience a breakthrough at the #5 position. It's a crazy whirlwind of Southern Section several combatants from there, with the cast constantly interchanging throughout the season. Redlands East Valley/ss emerged as the third-placer at last weekend's qualifier, with senior Matthew Casillas herding the scoring crew! Junior class leader Jack Leough-Lansford paced Claremont/ss to another solid outing while senior Anthony Stone showed Loyola/ss the way to clearly its best showing this season at its qualifier. Lethal Thousand Oaks/ss, headed by one of the nation's fine talents in senior Michael Mireles, and West Torrance/ss, which was missing top runner Jake Parker due to sickness last year, are both dangerous podium threats! La Costa Canyon/sd senior Caleb Niednagel, who fell ill at last year's qualifier, is a returning all-state talent that should make it interesting in the Nico-Young chase pack.

**DIVISION III BOYS, 10:00 A.M. (Awards at 11:00 a.m.)** – The Division III Boys title tilt features two programs on opposite ends of the state who've been on season-long tears. The lone showdown to date came on this very course at the mid-season Clovis Invitational, where Agoura/ss came out just six points ahead of Maria Carrillo/nc for early bragging rights. Look for Agoura's Chargers, runners-up in 2014, to bank their title chances on Ryan Koepnick and Beau Bordelon steering the attack. Maria Carrillo/nc has been highly consistent to date, with the rock-solid senior tandem of Colton Swinth and Rory Smail (13th at state last year) fronting the attack for the aptly named Pumas! Royal/ss, easily the division's most improved team over the course of the last 12 months (it did not even make it out of league last year) has shown flashes of brilliance this fall, putting it together nicely for a well-deserved runner-up placing at sectionals. Juniors Angus Fitzgerald and Matthew Russell have been among the top performers for the Highlanders. Brea-Olinda, the preseason pick from the south, remains a highly dangerous unit with Shane Gaffikin and Ryan Deadler heading their lineup. North Coast Section runner-up Campolindo, always

# State Championship Preview

to be highly respected come championship time, flaunts a quality lead duo in Dylan Gunn and frosh star Alexander Lodewick. Moorpark's Keith Murray is fresh off a standout performance at Southern Sectionals to arrive as a title contender here.

**DIVISION IV GIRLS, 10:30 A.M. (Awards at 11:20 a.m.)** – Small-schools superpowers from opposite ends of the state will collide for the first time in a highly attractive clash which could result in the divisional team-time record (93:55 by Santa Cruz in 2015) going by the wayside. Sage Creek/sd had the visually most eye-popping performance at a state qualifier, rocking to the first SEVEN positions to win with a perfect score of 15 points. Super siblings Skyler and Stormy Wallace spearheaded that showing as its scorers gapped 82 seconds, a notable feat given Skyler's proven front-running abilities. Up north, Menlo/cc was similarly dominant as its scoring set gapped just SIX SECONDS at the finish chute to roll to a big victory! Kyra Pretre and Alexandra McCusker pulled the group along in that one, creating quite a clash in Fresno! It was a wild scene at the SS Finals, where continually trending Orange Lutheran had junior gem Sophia Gutierrez at the forefront of a clutch winning effort, with Laguna Beach (featuring the trio of Morgan Falkowski, Jessie Rose and Nina Rogers) a distant second. Foothill Technology, the pre-meet pick there and paced by Brooke Secreto, nearly didn't make it out of qualifying but remains a clear podium contender this weekend. Mayfield's/ss Audrey Suarez, a returning state champion, who been off the radar for much of the season, intentionally training through while pointing for another big postseason peak!

**DIVISION V BOYS, 11:00 A.M. (Awards at 11:45 a.m.)** – The quest for team hardware should be a wild fracas here, with slightly favored San Francisco University/nc having the fine duo of Charlie Kennedy and Jack Gaitley playing a big role in their title chances. Francis Parker/sd saw section champion sophomore Kenan Pala headline their team-winning performance while Flintridge Prep/ss pulled the divisional shock of the qualifying series with a sensational clutch performance to win sectionals with veterans Hudson Billock and Bennett Oakes helping booked the latest championship victory for a traditional power. St. Margaret's/ss, headed up by individual title favorite Jackson Adelman (second last year) and Viewpoint/ss – with Ronnie Orosky, Thomas Matthew and Miles Clark at the forefront – remain in the title chase.

**DIVISION I GIRLS, 11:30 A.M. (Awards at 12:15 p.m.)** – While several top teams are aiming for a successful title repeat this year, Great Oak/ss is taking that mission a few layers better. Try an eight-peat! The heavily favored Wolfpack appear primed for an unprecedented eighth straight CIF championship on the girls' side, which would extend a streak for title longevity currently shared with Saugus/ss (2006-2012). Big challenges should come from local mega-power Buchanan/cs, as well as aforementioned Saugus, Vista Murrieta/ss and Oak Ridge/sj. Great Oak has been stockpiling firepower throughout the season, welcoming back key runners from injury, including defending state individual champ Tori Gaitan (winning in 17:20 last year), who is still battling a flu (along with other teammates) this weekend. Fellow seniors Aubrie Nex, Audrey Dang and Arianna Griffiths strengthen the Wolfpack foundation as it seeks a Division 1 record ninth team title (the first coming in 2010).

Buchanan actually beat Great Oak in their early-season showdown at Woodbridge. Since then, both teams have improved. The Bears have progressed behind 2017 state individual champion Corie Smith (she missed last year's race to due severe flu-like symptoms), who owns the fastest girls' time in the entire field (16:54), which also ranks her as fourth-fastest performer in course history. Buchanan also boasts the best freshmen teammate trio in the state, paced by Sydney Sundgren and additional artillery to make this a tighter title battle than most people think. Saugus (#SaugusStrong), still reeling from the memories of a tragic on-campus shooting spree just nine days before, showed tremendous resolve and poise to emerge with the runner-up plaque at its state qualifier, with the triumvirate of Hannah Fredericks, Isabella Duarte, and Hailey Rutter leading the proud Centurions juggernaut that has claimed nine state girls team titles over the years. Vista Murrieta was a surprising third at Southern Sectionals as it prospered despite its top runner (Devyn Candaele) sidelined by growth-spurt related ailments. Veterans Aniya Pretlow and Makayla Fick steadied the postseason ride for a team that – when at full strength – is among the top 16 lineups in the nation. Oak Ridge thumped solid competition at the Sac-Joaquin sectional as frontrunners Abigail Fletcher and Ava Maier tackled the toughest qualifier course in the state, where times are thrown out the window. Canyon Crest Academy/sd, led by super talent Carlie Dorostkar, is aiming to topple the division's established hierarchy.

# State Championship Preview

**DIVISION IV BOYS, 12:00 P.M. (Awards at 12:45 p.m.)** – The day's most wide-open affair is featured here, where as many as six different teams could be within reach of the crown at race's end. Foothill Technology/ss did nothing to hurt its standing as the slight favorite coming in as the trio of Joshua Villaseñor, Oliver Pick, and Ethan Crouch navigated the Dragons to another section championship. Now the aim is to land the boys program its second state title in four years. King City/cc and Scotts Valley/cc will renew their rivalry amid much higher stakes this time out, with the former led by Mario Avila and the latter having Jeremy Kain and Mitchell often providing the way. Sir Francis Drake/nc boasts one of the division's top individual entries in Amir Barkan, with the crew often well capable of rising the great finishes come championship time. Cathedral, which put it together to surprise several rivals at last week's sectional, arrives here with nothing to lose and the likes of Tyriq Granillo and Gabriel Galaz fueling their momentum. Defending state champion Laguna Beach lost plenty to graduation last year, but all-state hopefuls Logan Brooks (seventh at state last year) and Mateo Bianchi give the improving Breakers an outside chance at the title. JSerra senior Anthony Grover seeks to make very notable history, striving becoming the first three-time Division IV state champion (and only the fourth 3-time boys champion in state meet annals regardless of division). Grover, a Wake Forest signee, arrive here with a great senior-year ledger under his belt.

**DIVISION V GIRLS, 12:30 P.M. (Awards at 1:15 p.m.)** – The quest for the Division 5 championship is a likely culmination of a season-long rivalry pitting North Coast Section small-school powers Lick-Wilmerding and San Francisco University against each other for one last time. L-W won their sectional showdown in convincing fashion (three ahead of SFU's #2 and five ahead of SFU's #3) to secure a 21-point victory. Mira Terdiman led the title-winning effort at NCS for Lick-Wilmerding, while Maya Mason powers San Francisco University's title bid. The North Coast Section also showcases the individual favorite and super newcomer Harper McClain won last week by nearly a full minute and should battle Village Christian/ss junior Mia Barnett for the top prize. St. Margaret's/ss leads the title chase from the south as top newcomer frosh Liesel Blau propelled her team to a blowout win. Further south, Santa Fe Christian/sd had underclassmen Eloise Martensen and Revere Schmidt ignite a team-winning performance over a strong lineup from The Bishop's School.

**DIVISION I BOYS, 1:00 P.M. (Awards at 1:45 p.m.)** – The final race of the day could very well showcase the best team in the nation for 2019, and certainly the Golden State's most decorated program during the California state meet era (five boys state titles and eight girls state titles to date, with one more in each gender being forecast to be captured today). Much like Newbury Park in Division 2, Great Oak will be seeking to break the team-time course record (76:10, a 15:14 average) here this weekend. This crew is locked and loaded for a memorable finish that could include a grand coronation at Nike Cross Nationals next week! Senior super leader Gabe Abbes, top-shelf veteran stalwart Chris Verdugo, and mega-talent Mateo Joseph afford this group an amazing presence and truly unmatched poise come championship time! Due to one injury and a couple of others hit with illness, the Wolfpack will not be at 100 percent here, but remain the pick to win. It gets very interesting from there as Bellarmine/cc is fresh off a historic sectional win while powerful Dublin/nc aims to steady itself after an occasionally rocky season. Jesuit/sj finally appears to be finding its groove while both Clovis North and Torrey Pines have sparkled this season. Bellarmine courts a nasty front-running presence as Colin Peattie, Clem Welsh and siblings Nolan and Galen Topper were among those combining to shatter the team-time record at the Crystal Springs layout. Dublin has made inroads onto the national scene in recent years and should be in the thick of it, especially if ace Christopher Middleton-Pearson is in top form. Jesuit courts the individual title favorite as defending champion Matt Strangio (also a state track champion at both 1600 and 3200 over the course of the last two years) spearheads the effort, with Michael Chambers and Spencer Pickren among the talent at the disposal of legendary coach Walt Lange, enjoying an amazing 50th year at the helm at the same school! Clovis North brandishes an exceptional duo in Isaiah Galindo and Joshua Ochoa in carrying the dreams of local teams featured here. and Crescenta Valley (paced by senior Dylan Wilbur) and Roosevelt (headed by senior Michael Sahagun) are among a grouping aiming to avoid the first time in meet history where the powerful Southern Section has only one team finish within the top five in the major division.

*Note – The following CIF sectional abbreviations are included throughout the preview meet story: Central/cs; Central Coast/cc; Los Angeles City/la; North Coast/nc; Northern/ns; Oakland/ok; Sac-Joaquin/sj; San Diego/sd; San Francisco/sf; Southern/ss.*

# History of Woodward Park

**The creation and continued development of cross-country courses at Woodward Park**

***By Ken Reeves, CIF State Meet Announcer***

The birthplace of the California State High School Cross-Country Championships has been and always will be linked to Woodward Park in Fresno. Through the vision of the Woodward family and local cross-country coaches, Woodward Park has progressed from flat, undeveloped land to a mecca for cross-country competition in the state of California. This iconic course is known throughout the United States and it all started with a vision from the Woodward family back in 1958. At that time, the Woodward family contacted then Fresno High School cross-country coach, Bob Fries, about a parcel of land near the San Joaquin river that might be good for cross-country races.

Over time, Coach Fries, along with the legendary Fresno State coach, Red Estes, worked to develop a course on what is now Woodward Park. Before there were asphalt roads or trees in the park, before the creation of "Killer Hill" and the Roller Coaster hills, these visionaries of valley cross-country helped pave the way for what is now one of the best-known courses in the nation.

Starting in 1967, Coach Fries hosted the California State Junior College cross-country championship and Coach Estes hosted a national cross-country section qualifying meet. With the support of the Woodward family, the concept of an elite cross-country facility continued to grow.

Ray Woodward, the son of Oscar James Woodward, created a trust that would eventually lead to the complete development of a "passive park" in Northeast Fresno, barely in the city limits. In the trust, he left funds to create a park which had to include a bird sanctuary. The location of the park is said to include 235 acres from his estate. After Ray's passing in 1961, the trust took an active role in developing the park.

While some members of the city council didn't want to accept the parcel as they felt the location was too far away from the city to provide adequate services and police protection, others, including the Woodward family, the cross-country community and Parks and Recreation director, Howard Holman pushed for the present location.

In the end, the current location was approved and development of the park was started in 1968. Under the direction of Howard Holman, the facility was expanded from the 235 acres provided by the Woodward family trust to its present 300-acre site.

There are various stories about what actually occupied the land prior to the development of the park. Some say it was wheat fields. According to Jim Woodward, the son of Ray, it was just bare land. In his interview with Dr. Michael Gorman on January 9, 2007, he said "it was just rolling hills, with no trees." Luckily, the City of Fresno had a tree farm and many of the trees around the park today were planted in 1968.

From there, the local coaches banded together to create a course that would be good for all levels of competition. Elementary, junior high, high school, community college, NCAA and USATF championship caliber meets have graced the carefully planned trails of Woodward Park. Through the cooperative spirit of the area coaches, a common course was agreed upon that would be good for all levels of competition. In the past 50 years, many of the top runners in the state and nation have followed portions of that course. Annually, cross-country races bring in millions of dollars annually to the Fresno community.

Today, the local running community, many local businesses, the Woodward family, the City of Fresno and the area coaches continue to work to refine the course. In 2017, under the direction of former Fresno City College Coach, Bob Fries, many improvements have been made to the course. The most apparent improvement is the permanent starting line placed parallel to the Mountain View Shelter.

Woodward Park is synonymous with quality cross-country in the state of California. From the Clovis Invitational to the California State Community College Championships, Woodward Park has seen the best California cross-country has to offer. Today it is estimated by local coaches that well over $1,000,000 annually is spent at Fresno businesses during the state championship weekend alone. More than the money, Woodward Park has been in the hopes and dreams of California high school cross-country runners since 1987. Over 500,000 high school runners have made the pilgrimage to cross-country nirvana over the past 30 years of competition. What started as a letter from the Woodward family to a high school coach paved the way for the creation of something special. Today, another 2,000-plus athletes will have the opportunity to experience the magic that is Woodward Park.
